Nevzat SÜTÇÜ

KRAL ARMS CO-FOUNDER

1960-2020

Nevzat SUTCU was born on 01.02.1960 in Uzumlu / Konya / Turkey. While he was a child he was realised with his hardworking and ambitious personality.

He studied primary and high school in his hometown. On that period he was on a good grade on metalworks. He worked in workshops to learn more and more besides his school-life.

After his education he started his long&successful carrier in a small workshop by Manufacturing shotgun parts. After a while Mr. Sutcu and his six friends set up a company together. When this company was decided to be closed by shareholders –Mr. Sutcu and Mr. Ece was starting a long success journey that was named 'Kral Arms'.

When Mr. Sutcu and Mr. Ece first set up Kral Arms in a 200 metersquare workshop they started producing blank firing pistols – after a few years they moved to new facility , where Kral Arms still takes place. In this 18.000 metersquare facility , these young guys had a dream to make Kral Arms one of the most well-known brand in the World.

After a quarter of century , Mr. Sutcu and Mr. Ece had leaded of Manufacturing millions of shotguns and air rifles , with more than 100 Cnc machines and hundreds of employees.

Mr.Sutcu, had also first steps such as , production of first pump action shotgun in Turkey , to produce first electrical system over under shotgun in the World and many other important signatures.

One year before his death , Mr. Sutcu and Mr.Ece bought an area of 28.000 metersquare to build a new factory to start production of rifles, pistols and and put their sign on new projects.

On 2020 September 16 we lost him because of Covid..

Mr. Sutcu – You were not only our boss , but you were also our biggest chief,leader and father.

We will make your dream come true.

WE WILL ALWAYS REMEMBER YOU...
