ABOUT US

KRAL ARMS produces shotguns, air rifles , air rifles , pistols and rifles in 18.000 square meter production facilities with more than 250 people. We use the highest technology with manual labor to offer you the best quality.

The production within the border of KRAL includes, machining of wood, machining of metal parts, injection molding, metal injection, mold making, welding, engraving, barrel drilling & barrel manufacturing, laser marking, laser engraving on wood & metal parts, camouflage coating, assembly, quality assurance testing, test shooting, etc.

KRAL ARMS is an export oriented factory and exports 99,5% of its products to more than 80 countries around the world. KRAL ARMS products with their very good quality and competitive prices receive a very well acceptance all around the world. KRAL ARMS is well able to and has background to produce any type of gun in house. Our mission is to produce the better for cheaper. Like for the last 27 years, as long as the world exists, we will continue to serve for you
